THIS SERVICE ACCOUNTABILITY AGREEMENT effective as of July 1, 2010

B E T W E E N:

ERIE ST. CLAIR LOCAL HEALTH INTEGRATION NETWORK (the "LHIN")

AND

S & R NURSING HOMES LTD. (the "HSP")

IN RESPECT OF:

TWIN LAKES TERRACE LONG TERM CARE COMMUNITY located at
1310 Murphy Road, Sarnia, ON N7S 6K5 (the "Home")

Background:

Ontarians believe in public accountability and transparency to demonstrate that the health system is governed and managed in a way that reflects the public interest and that promotes continuous quality improvement and efficient delivery of high quality health services to all Ontarians. To this end, the government of the Province of Ontario, through the enactment of the Local Health System Integration Act ("LHSIA") made local health integration networks accountable to the Minister for the performance of local health systems and their health services, including access to services and the utilization, co-ordination, integration and cost-effectiveness of services.

The HSP owns and operates the Home pursuant to the authority of a licence or an approval issued under the *Long-Term Care Homes Act, 2007* (the "Act").

The LHIN is the local health integration network responsible for the planning, funding and integration of health care services in the area in which the Home is located. Recognizing the important role played by the HSP in the provision of health services within the LHIN, and the LHIN's dependence on the HSP's continuing performance to enable the LHIN to meet its accountabilities to the Minister, the LHIN wishes to provide funding to the HSP to enable it to operate the Home. By law, the LHIN is required to enter into a service accountability agreement that enables it to meet its obligations under LHSIA, with all health service providers that it proposes to fund.

This Agreement is a service accountability agreement. It sets out the terms on which the LHIN will provide funding to the HSP and the performance obligations of the HSP in return for that funding. It promotes continuous quality improvement and the efficient delivery of high quality health services to all Ontarians and it reflects Ontario's quality transformation agenda currently underway in the long term care home service sector.

- (i) resident care must not be compromised through a funding adjustment arising from a breach of this Agreement;

- (iii) if the breach reduces the value of the Services, the funding adjustment should be at least equal to the reduction in value; and

and such other principles as may be articulated in Applicable Law or Applicable Policy from time to time.

All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.

5.4 Debt Due.

(a) If the LHIN requires the re-payment by the HSP of any Funding the amount required will be deemed to be a debt owing to the LHIN by the HSP. The LHIN may adjust future funding instalments to recover the amounts owed or may, at its discretion, direct the HSP to pay the amount owing to the LHIN and the HSP shall comply immediately with any such direction.

(b) All amounts repayable to the LHIN will be paid by cheque payable to the "Ontario Minister of Finance" and delivered to the LHIN at the address provided in section 13.1.

(b) **Multi-Year Planning.** The LAPS will be in a form acceptable to the LHIN and will incorporate (i) prudent multi-year financial forecasts; (ii) plans for the achievement of performance targets; and (iii) realistic risk management strategies. It will be aligned with the LHIN's Integrated Health Service Plan and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the LAPS will reflect the planning targets.

(c) **Multi-year Planning Targets.** The Parties acknowledge that the HSP is not eligible to receive multi-year planning targets under the terms of Schedule C in effect as of the Effective Date. In the event that Schedule C is amended over the Term and the LHIN is able to provide the HSP with multi-year planning targets, the HSP acknowledges that these targets are: (A) targets only, (B) provided solely for the purposes of planning, (C) are subject to confirmation and (D) may be changed at the discretion of the LHIN. The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets. The LHIN agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.

(d) **Service Accountability Agreements.** Subject to advice from the Director about the HSP's history of compliance under the Act and provided that the HSP has fulfilled its obligations under this Agreement, the parties expect that they will enter into a new service accountability agreement at the end of the Term. The LHIN will give the HSP at least six months Notice if the LHIN does not intend to enter into negotiations for a subsequent service accountability agreement because the HSP has not fulfilled its obligations under this Agreement. The HSP acknowledges that if the LHIN and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities.

(a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the LHIN including but not limited to the HSP's LAPS and integration proposals.

- (ii) the HSP is proposing to reduce, stop, start, expand or transfer the location of services;
- (iii) to identify opportunities to integrate the services of the local health system, other than those identified in (i) or (ii) above; or
- (iv) if requested by the LHIN.

(b) **LHIN Evaluation of the Pre-proposal:** Use of a pre proposal process is not formal Notice of a proposed integration under s. 27 of LHSIA. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does LHIN consent presume the issuance of a favourable decision, should such a decision be required by section 25 or 27 of LHSIA. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the LHIN.

6.4 Proposing Integration Activities in the Planning Submission. No integration activity described in subsection 6.3 may be proposed in a LAPS unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in 6.3.

6.5 Definitions. In this section 6.0 the terms "integrate", "integration" and "services" have the same meanings attributed to them in subsection 2(1) and section 23 respectively of LHSIA.

ARTICLE 12 – TERMINATION OF AGREEMENT

12.1 Termination by the LHIN.

(a) **Immediate Termination.** The LHIN may terminate the Agreement immediately upon giving Notice to the HSP if:

- (i) the HSP is unable to provide or has discontinued the Services in whole or in part or the HSP ceases to carry on business;
- (ii) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver;
- (iii) the LHIN is directed, pursuant to the Act, to terminate this Agreement by the Minister or the Director;
- (iv) the Home has been closed in accordance with the Act; or
- (v) as provided for in section 4.6, the LHIN does not receive the necessary funding from the MOHLTC.

(b) **Termination in the Event of Financial Difficulties.** If the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver the LHIN will consult with the Director before determining whether the Agreement will be terminated. If the LHIN terminates this Agreement because a person has exercised a security interest as contemplated by section 107 of the Act, the LHIN would expect to enter into a service accountability agreement with the person exercising the security interest or the receiver or other agent acting on behalf of that person where the person has obtained the Director's approval under s. 110 of the Act and has met all other relevant requirements of Applicable Law.

(c) **Opportunity to Remedy Material Breach.** If an HSP breaches any material provision of the Agreement, including, but not limited to, the reporting requirements in Article 8 and the representations and warranties in Article 10 and the breach has not been satisfactorily resolved under Article 7, the LHIN will give the HSP Notice of the particulars of the breach and of the period of time within which the HSP is required to remedy the breach. The Notice will advise the HSP that the LHIN will terminate the Agreement:

- (i) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or
- (ii) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the LHIN that the HSP cannot completely remedy the breach within that time or such further period of time as the LHIN considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the LHIN; and

the LHIN may then terminate the Agreement in accordance with the Notice.

12.2 Termination by the HSP. The HSP may terminate the Agreement at any time, for any reason, upon giving the LHIN six months Notice.

12.3 Consequences of Termination.

- (a) If the Agreement is terminated pursuant to this Article, the LHIN may:
- (i) cancel all further Funding instalments;
 - (ii) demand the repayment of any Funding remaining in the possession or under the control of the HSP;
 - (iii) determine the HSP's reasonable costs to wind down the Services; and
 - (iv) permit the HSP to offset the costs determined pursuant to subsection (iii), against the amount owing pursuant to subsection (ii).

(b) Despite (a), if the cost determined pursuant to section 12.2(a) (iii) exceeds the Funding remaining in the possession or under the control of the HSP the LHIN is not required to provide additional monies to the HSP to wind down the Services .

12.4 Effective Date. The effective date of any termination under this Article will be the last Day of the Notice period, the last Day of any subsequent Notice period or immediately, which ever applies.

12.5 Corrective Action. Despite its right to terminate the Agreement pursuant to this Article, the LHIN may choose not to terminate the Agreement and may take what ever corrective action it considers necessary and appropriate, including suspending Funding for such period as the LHIN determines, to ensure the successful completion of the Services in accordance with the terms of the Agreement.

ARTICLE 14 – INTERPRETATION

- 14.1 Interpretation.** In the event of a conflict or inconsistency in any provision of this Agreement, the main body of this Agreement will prevail over the Schedules and the Schedules will prevail over the terms of Applicable Policy.
- 14.2 Jurisdiction.** Where this Agreement requires compliance with the Act, the Director will determine compliance and advise the LHIN. Where the Act requires compliance with this Agreement, the LHIN will determine compliance and advise the Director.
- 14.3 Determinations by the Director.** All determinations required by the Director under this Agreement are subject to an HSP's rights of review and appeal under the Act.
- 14.4 The Act.**
- (a) The Parties acknowledge and agree that
 - (i) this Agreement has been negotiated prior to the implementation of the Act;
 - (ii) this Agreement should be consistent with the Act;
 - (iii) While the LHIN has striven for consistency with the Act; the implementation of the Act may cause the Parties to identify provisions of this Agreement which are or appear to be inconsistent with the Act; and
 - (iv) this Agreement will be amended as required to ensure that the Agreement is consistent with the Act.
 - (b) The Parties agree that in the event that there are provisions of the Agreement that are, or appear to be inconsistent with the Act, these provisions will be interpreted and amended, in a manner that preserves the rights of both the LHIN and the Director and enables both the LHIN and the Director to fulfil their statutory responsibilities.
- 14.5 Ibid.** For greater clarity, nothing in this Agreement supplants or otherwise excuses the HSP from the fulfillment of any requirements of the Act. The HSP's obligations in respect of LHSIA and this Agreement are separate and distinct from the HSP's obligations under the Act.

ARTICLE 15 – ADDITIONAL PROVISIONS

- 15.1 Currency.** All payment to be made by the LHIN or the HSP under this Agreement shall be made in the lawful currency of Canada.
- 15.2 Invalidity or Unenforceability of Any Provision.** The invalidity or unenforceability of any provision of the Agreement will not affect the validity or enforceability of any other provision of the Agreement and any invalid or unenforceable provision will be deemed to be severed.

- 15.3 Terms and Conditions on Any Consent.** Any consent or approval that the LHIN may grant under this Agreement is subject to such terms and conditions as the LHIN may reasonably require.
- 15.4 Waiver.** A Party may only rely on a waiver of the Party's failure to comply with any term of the Agreement if the other Party has provided a written and signed Notice of waiver. Any waiver must refer to a specific failure to comply and will not have the effect of waiving any subsequent failures to comply.
- 15.5 Parties Independent.** The Parties are and will at all times remain independent of each other and are not and will not represent themselves to be the agent, joint venturer, partner or employee of the other. No representations will be made or acts taken by either Party which could establish or imply any apparent relationship of agency, joint venture, partnership or employment and neither Party will be bound in any manner whatsoever by any agreements, warranties or representations made by the other Party to any other person or entity, nor with respect to any other action of the other Party.
- 15.6 LHIN is an Agent of the Crown.** The Parties acknowledge that the LHIN is an agent of the Crown and may only act as an agent of the Crown in accordance with the provisions of LHSIA. Notwithstanding anything else in this Agreement, any express or implied reference to the LHIN providing an indemnity or any other form of indebtedness or contingent liability that would directly or indirectly increase the indebtedness or contingent liabilities of the LHIN or Government of Ontario, whether at the time of execution of the Agreement or at any time during the term of the Agreement, will be void and of no legal effect.
- 15.7 Express Rights and Remedies Not Limited.** The express rights and remedies of the LHIN are in addition to and will not limit any other rights and remedies available to the LHIN at law or in equity. For further certainty, the LHIN has not waived any provision of any applicable statute, including the Act, LHSIA and the CFMA, nor the right to exercise its right under these statutes at any time.
- 15.8 No Assignment.** The HSP will not assign the Agreement or the Funding or any part thereof, directly or indirectly, without the prior written consent of the LHIN which consent shall not be unreasonably withheld. No assignment or subcontract shall relieve the HSP from its obligations under this Agreement or impose any liability upon the LHIN to any assignee or subcontractor. The LHIN may assign this Agreement or any of its rights and obligations under this Agreement to any one or more of the LHINs or to the MOHLTC.

Schedule C – Terms and Conditions Applicable to the Funding

1.0 Background. The LHINs provide subsidy funding to long-term care home health service providers pursuant to a funding model set by the MOHLTC. The current model provides estimated per diem funding that is subsequently reconciled. The current funding model is under review and may change during the term of the Agreement. As a result, and for ease of amendment during its term, the Agreement incorporates certain terms and conditions that relate to the funding model in this Schedule C.

2.0 Additional Definitions. Any terms not otherwise defined in this Schedule have the same meaning attributed to them in the Agreement. The following terms have the following meanings:

"Approved Funding" means the allowable subsidy for the Term determined by reconciling the Estimated Provincial Subsidy in accordance with Applicable Law and Applicable Policy

"Construction Funding Subsidy" or "CFS" means the funding that the MOHLTC agreed to provide to the HSP in an agreement for the construction, development, redevelopment, retrofitting or upgrading of beds (a "Development Agreement"). .

"Envelope" is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

- (a) the "Nursing and Personal Care" envelope;
- (b) the "Program and Support Services" envelope;
- (c) the "Raw Food" envelope; and
- (d) the "Other Accommodation" envelope.

"Estimated Provincial Subsidy" means the estimated provincial subsidy calculated in accordance with Applicable Policy. .

"Reconciliation Reports" means the reports as required by Applicable Policy including the Long-term Care Home Annual Report and, the In-Year Revenue/Occupancy Report.

3.0 Provision of Funding.

3.1 In each Funding Year, the LHIN shall advise the HSP of the amount of its Estimated Provincial Subsidy. The amount of the Estimated Provincial Subsidy shall be calculated on both a monthly basis and an annual basis and will be allocated among the Envelopes and other funding streams applicable to the HSP, including the CFS.

3.2 The Estimated Provincial Subsidy shall be provided to the HSP on a monthly basis in accordance with the monthly calculation described in 3.1. Payments will be made to the HSP on or about the twenty-second (22nd) day of each month of the Term.

3.3 CFS will be provided as part of the Estimated Provincial Subsidy and in accordance with the terms of the Development Agreement and Applicable Policy. This obligation survives any termination of the Agreement.

4.0 Use of Funding.

- 4.1 The HSP shall use the funding allocated for an Envelope for the use set out in the Applicable Policy.
- 4.2 The HSP shall not transfer any such portion of the Estimated Provincial Subsidy in the following Envelopes to any other Envelope:
- (a) the "Nursing and Personal Care" envelope;
 - (b) the "Program and Support Services" envelope; and
 - (c) the "Raw Food" envelope.
- 4.3 The HSP may transfer all or any of the part of the Estimated Provincial Subsidy for the Other Accommodation Envelope to any other Envelope without the prior written approval of the LHIN, provided that the HSP has complied with the standards and criteria for the "Other Accommodation" Envelope as set out in Applicable Policy. .
- 4.4 In the event that a financial reduction is determined by the LHIN, the financial reduction will be applied against the portion of the Estimated Provincial Subsidy in the "Other Accommodation" Envelope.

- 5.1 Subject to 5.2 and 5.3 the HSP is required to continue to fulfill all commitments identified in Schedule A of the service agreement in effect between the HSP and the LHIN on June 30, 2010 (the "CFS Commitments") and the CFS Commitments are hereby incorporated into and deemed part of this Agreement.

 - (ii) are no longer required to be fulfilled;
- and the HSP is able to provide the LHIN with a copy of such written agreement.
- 5.3 Where this Agreement establishes or requires a service requirement that surpasses the service commitment set out in the CFS Commitments, the HSP is required to comply with the service requirements in this Agreement.
- 5.4 The MOHLTC will be responsible for monitoring the HSP's on-going compliance with the CFS Commitments. Notwithstanding the foregoing, the HSP agrees to certify its compliance with the CFS Commitments when requested to do so by the LHIN.

6.0 Reconciliation.

- 6.1 The HSP shall complete the Reconciliation Reports and submit them to the LHIN in accordance with Schedule D. The Reconciliation Reports shall be in such form and containing such information as required by Applicable Policy or as otherwise required by the LHIN pursuant to Article 8 of the Agreement.
